

# MESSMER CATHOLIC SCHOOLS

*2009-2010 Annual Report*

## Our Mission

Messmer Catholic Schools dedicate themselves to serving a diverse, urban population and providing their students with an education that represents the schools' Catholic heritage. Messmer Catholic Schools prepare their graduates to excel in college, to succeed in the workforce, and to become productive citizens.

Dear Friends,

We are pleased to present to you Messmer Catholic Schools' Annual Report for fiscal year 2010. We are even more pleased to share with you examples of how your support has positively impacted the lives of over 1,500 students at three campuses: Messmer High School, Messmer Preparatory Catholic School and St. Rose and St. Leo Catholic School.

While the majority of Messmer students live below the federal poverty level, our students buck the trend of poor achievement among at-risk populations by consistently making gains in academics. We are often asked what makes Messmer Catholic Schools special. We attribute our success to the following concepts, **The Messmer Way**:

- **Rigorous academics**

We expect the best from our students and do not settle for less. We support our students with the tools they need, ranging from Honors and Advanced Placement opportunities to academic support and tutoring.

- **Present, focused and prepared**

The first step in success is being present, focused and prepared. Messmer has mandatory student attendance requirements, holds high expectations for student, faculty and staff professionalism, and provides opportunities for parents to be active participants in their child's education.

- **Catholic, faith-based education**

We see our students as individuals and we work to cultivate our students' gifts for their own leadership development, but also for the greater good. And it is our Catholic, faith-based curriculum that transforms our students from within.

On these pages you will find examples of **The Messmer Way** in action. You will also see that our students' achievement is the direct result of a strong network of friends, volunteers and donors, all united to **Lead the Way**. You have our sincere thanks for helping us advance our important mission in urban education.

With warm regards,

Br. Bob Smith, OFM Cap  
President and CEO

- 8 Catholic, faith-based education

**9 Leading the Way**

- 10 Donor Honor Roll
- 21 Alumni
- 22 Board of Directors
- 22 Financial Statements

## **The Messmer Way**

“The Messmer Way refers to the culture and expectations Messmer establishes to ensure every student’s academic success, cultivating student gifts and talents around service, and empowering students to implement a Christian lifestyle.” Alea Cross '07

## Rigorous academics

We expect the best from our students and do not settle for less. We support our students with the tools they need, ranging from Honors and Advanced Placement opportunities to academic support and tutoring.

### Messmer High School Graduate Matriculation

Many of our grade school students go on to Messmer High School. **Over 85% of Messmer High School graduates go on to colleges and universities across the country; our graduates typically earn millions in scholarships** to support the high cost of college education.

### Honors, Accelerated Programs, and Academic Support

We believe that all students can achieve excellence. Our dedicated faculty go above and beyond to make sure that students are not only challenged, but given the support they need to meet our high expectations. **Messmer High School offers an Honors Program and Advanced Placement Classes** for high achieving students. Both Messmer Prep and St. Rose and St. Leo offer **Accelerated Reader Programs for high achievers**. When students need additional academic support, many find the help they need by **working with their teachers after school** or participating in our formal support programs including **Messmer 101, Tutoring, 5th Hour, Peer Mentoring and Saturday School**.

### Data-Driven Instruction

The concept of Data-driven Instruction (DDI) is simple: **educators use what they know about their students to make decisions about what and how to teach them**. One way Messmer uses data to drive student performance is through the Measure of Academic Progress (MAP) Test. Each fall and spring, Messmer students in grades 2 through 11 take the MAP Test. This is a computerized test that adjusts questions and level of difficulty based upon student responses. **The interactive nature of this test allows teachers to gather very specific data on each student's strengths as well as areas in which more support is needed**. MAP Test data provides teachers with a snapshot of each student's target growth areas and shows annual rate of growth.

Another key element of Messmer High School's DDI approach is a quarterly interim assessment. The interim tests have three primary purposes: **1) provide teachers with actionable data about areas of student need, 2) ensure that all ACT content is covered in Messmer's curriculum, and 3) familiarize students with the format and timing structure of the ACT**. Teachers meet quarterly to discuss data gathered from the interim tests and tailor instruction to meet student needs.

**“Expectations are high because the stakes are high. Raising test scores is not optional. We need to hold ourselves accountable and show our students the multitude of opportunities available to those who rise up and master tough academic standards.”**

Jon Stern, Messmer Teacher

## Present, focused and prepared

The first step in success is being present, focused and prepared. Messmer has mandatory student attendance requirements, holds high expectations for student, faculty and staff professionalism, and provides opportunities for parents to be active participants in their child's education.

### Daily attendance rates:

<b>96%</b>	Messmer High School	<b>94%</b>	Messmer Prep	<b>92%</b>	St. Rose and St. Leo
------------	---------------------	------------	--------------	------------	----------------------

### Parent participation:

<b>82%</b>	Parents and Students use PowerSchool, an online tool used to track grades and communicate with teachers. In addition, parents participate in a number of free workshops as well as mandatory biannual Parent/Guardian-Teacher Conferences.
------------	--

**“Messmer is known for its expectations. As Messmer students, we know what we’re supposed to do because it has been made clear. Academically and behaviorally, a bar has been set and we are meeting it.”** Briana Stewart, Messmer Student

### Accreditation

**Accreditation is a method of quality assurance for private schools.** It requires a lengthy, systematic process of self-evaluation and peer review of a school's academic rigor as determined by an examination of outcomes and data. **Accreditation is an indicator of high performing schools.** We are proud to be accredited by:

- Archdiocese of Milwaukee
- Independent School Association of the Central States (ISACS)
- North Central Association (NCA)
- Wisconsin Religious and Independent Schools Accreditation (WRISA)

### Professional Development

**Messmer faculty are committed to professionalism** and demonstrate this by actively participating in both individual and group professional development opportunities. New teachers **participate in peer mentoring** with more experienced teachers in order to receive support in their first year. Each year, **all teachers create a professional development plan** specifically tailored to their personal development goals. In addition, all faculty **attend workshops, seminars and all-school gatherings designed to increase efficacy in instructional best practices.**

## Catholic, faith-based education

We see our students as individuals and we work to cultivate our students' gifts for their own leadership development, but also for the greater good. And it is our Catholic, faith-based curriculum that transforms our students from within.

### Faith and Leadership in Action

Our bond with The Province of St. Joseph of the Capuchin Order continues to grow with our service to their many charisms around Milwaukee.

In 2009-10, we participated in a holiday food drive and fulfilled our commitment of filling 200 meal boxes for the **House of Peace**. Some of our students were honored to assist in the distribution of meal boxes at Thanksgiving alongside Archbishop Jerome ListECKI. We also raised over \$1,000 for the House of Peace toy drive.

Serving the guests at **St. Benedict Community Meal** has now become a year round activity with student and faculty/staff participation continuing through the summer months. During school year 2009-10, students were responsible for raising over \$400 for St. Ben's. We also initiated a new tradition of making holiday treats and packaging them to give to St. Ben's guests with warm greetings and blessings during the weeks of Thanksgiving, Christmas and Easter. Additionally, over 40 seniors participated in the St. Ben's Plunge Retreat.

Other partnerships with the Capuchins include **contributions to the food pantry at St. Martin de Porres** and our continued involvement in **Pebbles of Peace**.

### Other ways Messmer students, faculty and staff demonstrate faith in action:

- **Created peace garden** at the high school
- **Collected clothing** for an orphanage in Honduras
- **Collected clothing** for the people of Haiti
- **Volunteered** at the School Sisters of St. Francis Annual Pancake Breakfast and Fall Festival
- **Volunteered** at Susan G. Komen Race for the Cure
- **Participated** in The Riverwalk for Breast Cancer
- **Raised money** for Juvenile Diabetes Research Foundation International
- **Raised money** for Children's Hospital of Wisconsin

**“It is the Christian component which gives Messmer the feeling that one is part of a family. Students are constantly reminded that they are members of the family of God.”** Cortez and Mari VanFelder, Messmer Parents

## Leading the Way

“There is no better way to have an impact on the future than to help a student today. As a Messmer student, I benefitted many times from the generosity of those who had come before me, so I feel an obligation to share those same opportunities with the students of today.” Greg Borowski '85

## Donor Honor Roll

Our important mission in education would not be possible without the support of our network of alumni, friends and donors. We thank you for your generous support!

## Our Alumni

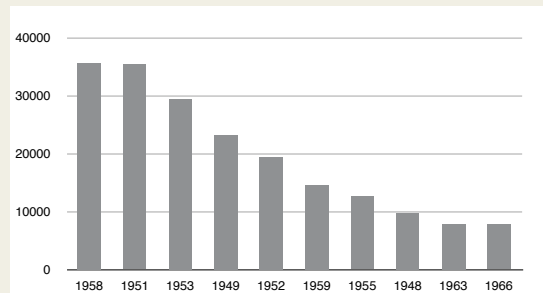

In fiscal year 2009-10, 8.9% of our alumni family contributed to Messmer Catholic Schools' annual fund for a combined donation of over \$300,000. We thank you for your continued support. Messmer pride is alive!

### Alumni Support by Class Year

#### Top 10 Classes

*by dollars contributed*

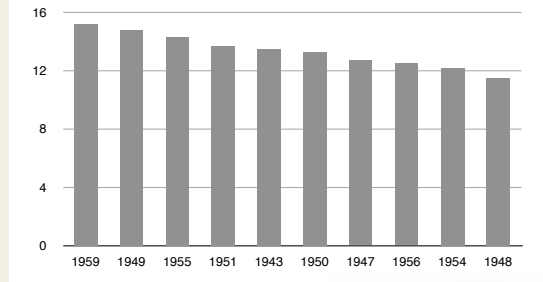

<b>1958</b>	\$35,695	<b>1959</b>	\$14,690
<b>1951</b>	\$35,465	<b>1955</b>	\$12,643
<b>1953</b>	\$29,460	<b>1948</b>	\$9,810
<b>1949</b>	\$23,336	<b>1963</b>	\$7,880
<b>1952</b>	\$19,500	<b>1966</b>	\$7,855

#### Top 10 Classes

*by percentage of participation*

<b>1959</b>	15.2%	<b>1950</b>	13.3%
<b>1949</b>	14.8%	<b>1947</b>	12.7%
<b>1955</b>	14.3%	<b>1956</b>	12.5%
<b>1951</b>	13.7%	<b>1954</b>	12.2%
<b>1943</b>	13.5%	<b>1948</b>	11.5%

“I support Messmer in gratitude for the education, foundation and enduring friendships garnered during my high school years. ‘Faith and honor, virtue, knowledge,’ just as voiced in the Alma Mater... these principles still ring true.” Margaret Kaczmarek '70

---

<b>TOTAL EXPENSES</b>	<b>\$12,571,572.00</b>
-----------------------	------------------------

Messmer Catholic Schools conducts quarterly and year end accounting through Hau & Associates. In addition, a yearly audit is conducted through Feld, Schumacher & Company, LLP to assure the highest level of financial integrity for our students, staff and benefactors. On a daily basis the President receives reports through the Business Office to coordinate expenses and revenue and make regular reports to the Finance Committee and the Board of Directors.

# ANATOMY OF A MESSMER STUDENT

When you support Messmer Catholic Schools, you help us develop our students—mind, body and soul. Your gift supports:

- Student scholarships and financial aid
- Technology innovations to support achievement
- Student faith and character formation

To make a gift today, please return the enclosed envelope or donate securely online at [messmerschools.org](http://messmerschools.org). Messmer Catholic Schools is a 503(c) charitable organization and your gift is tax-deductible. **We thank you for your support!**
